Senior Dance Performance

Congratulations to our dance group for their outstanding performance at the Dance Festival last week. The makeup and costumes looked amazing and the dance moves were very dynamic as they looked at the Wizard of Oz from a different perspective.

General parking rules – do you know all of these?

Parking rules are designed to stop vehicles from parking where it would be dangerous or inconvenient for others. You must not stop your vehicle (that is, bring it to a stop and either stay with the vehicle or leave it parked) in the following circumstances:

- Double parked (that is in the road alongside a car that is parked)
- On or across a driveway (unless dropping off or picking up passengers for no longer than 2 minutes)
- On or across a footpath
- On a median strip or traffic island
- On motorways
- In a clearway
- On footpaths and nature strips
- At a BUS STOP or within 20m before and 10m after a BUS STOP or between a BUS ZONE, TAXI STAND or TAXI ZONE signs
- In a safety zone or within 10 metres before or after a safety zone
- Within an intersection
- In a slip lane
- On or within 20m (before) or 10m (after) a pedestrian crossing, marked foot crossing or children’s crossing (unless a sign allows you to park there)
- Within 20m of an intersecting road at an intersection with traffic lights unless a sign allows you to park there
- Within 10m of an intersecting road at an intersection without traffic lights unless a sign allows you to park there (see image)

School Permission Notes
Just a reminder when filling out excursion or school notes - please complete student’s full name and class with parents signature, as we have had several notes handed in missing this information and this can make it very difficult when trying to identify who is making payments on excursions.
