School Fair

Congratulations to everyone involved with the fair this year. We were fortunate with the weather to have a beautiful, clear blue sky to make sure all of the fun activities could proceed as planned. The stage 3 teachers had been preparing for the event long before the big day arrived and everyone was very excited. Some parents were able to attend and they would have witnessed for themselves how all of the students behaved so excellently. The girls and boys enjoyed themselves thoroughly and were always very polite to each other and very helpful with running the different activities. A great day was had by all!

Excursions

I have had the pleasure of accompanying 2 different grades on their excursion in the last fortnight. On Tuesday, Year 2 visited Krispy Kreme and really enjoyed learning about making doughnuts as well as eating them! All of the children behaved beautifully walking to and from the store and the manager of the store spoke to me, to personally pass on his congratulations to all students for the way they behaved and the thoughtful questions they asked. On Friday Kindergarten travelled to Fairfield City Farm and despite the very hot weather conditions a great time was had by all. The student’s behaviour was outstanding and they thoroughly enjoyed learning about all of the animals on the farm. My favourite part was the dogsrounding up the sheep – did you ask your child what was their favourite part?

Concert

Congratulations everyone on your tireless efforts in making this year’s concert a great success. If the rehearsals are anything to go by then I’m sure everyone will really enjoy the performances. Thank you to our concert committee for all of the time and effort they have devoted to planning and organising the nights. Thank you to my wonderful teachers for giving up their evenings to be here and support the students as they perform as well as all of the work that has gone into preparing for the performances.

Finally, a big thank you to the students and their parents for making the nights a success. Mums and dads for making sure that everyone got to school and home again as well as wearing all of the necessary costumes and to the boys and girls for your endless enthusiasm and wonderful talent.

Opening accounts for School Banking – great news!
School Banking accounts can now be opened at any Commonwealth Bank branch. You no longer need to complete application forms and return them to school. Just go into any branch and ask to open a Youthsaver account for School Banking.

Remember to take in identification for you and your child (such as driver’s license and birth certificate), you will receive a Dollarmites wallet and deposit book on the spot and be able to start banking on the next business day – it is that easy!

If you are a Commonwealth Bank customer with NetBank you have the option to open the account online as well!

When your child makes their first deposit they will get their first token and our school will also receive $5 commission.

Thank you for supporting our school and teaching your child good savings skills.

After School Sports
We would like to offer a big thank you for participating in Active Afternoon School Sport (AASS) in 2014. Monday was the last day of AASS for the year. Next year a new company will be replacing AASS. Information regarding the new program will be in the newsletter at the beginning of 2015. Thank you again for your ongoing support,
The Active After School Sport Team
